What can I expect when I arrive to test?

• Please arrive 15 minutes before your appointment time to allow for check-in.
• Bring your current government-issued ID EVERY TIME you test. We cannot accept expired ID.

  **No ID = No Test**

• No cell phones, electronics, watches, food, drink, or personal items are allowed in the testing room. Please empty all pockets before coming to the testing center.
• Breaks need to be taken between tests; candidates are not allowed to leave the testing room until a test is completed.
• All four tests can be taken in one day, but it is usually recommended that testing be divided into a minimum of two days. Many people take only one test at a time.
