

Counselor of the Month

Chelsea consistently goes above and beyond for her students, bringing an upbeat, energetic, & always positive attitude to everything she does. Whether it's career counseling, academic support, or NextSteps, she is always prepared & takes the time to explain each process in detail. Her enthusiasm encourages students to fully understand their options, & her unwavering support motivates them to pursue education beyond high school with confidence.

High School of the Month

Raft River is a remarkable institution, distinguished by its rural location & small size, yet boasting impressive student enrollment & graduation rates. The key to its success lies in the dedication of the faculty & administration, who work tirelessly to enhance educational opportunities for their students. A culture of mutual respect thrives at Raft River, where students appreciate the efforts of their teachers & staff, while faculty admire the students' commitment to academics & respect for one another. This school deserves special recognition for its unwavering leadership support in seeking new opportunities & scholarships, helping to foster an environment where communication & collaboration are prioritized for the benefit of all.
