**Lauren Jackson**

Lauren, a dedicated counselor at Filer High School, takes her role in guiding students' futures to heart. She consistently helps them excel both academically & mentally, impacting their lives both within the school & beyond. With genuine care, compassion, & understanding, Lauren approaches each student as an individual, offering unwavering support & mentorship. Her commitment to the youth shines through her tireless efforts, always going above & beyond for her students & the Filer High School community.

### **HIGH SCHOOL OF THE MONTH**

Thunder Ridge High School is the High School of the Month! This fall, 195 students enrolled in 742 college credits through CSI's Dual Credit program, reflecting the school's strong commitment to academic success. Thunder Ridge creates a supportive environment that encourages students to challenge themselves and explore advanced learning opportunities.

The dedication of the administration, counselors, and teachers empowers students to excel and confidently pursue their futures.
